## Dues and Fees

- The term “[membership dues](#)” in this document and the amounts shown include the dues for all required organizational units: National, Indiana Division, and Fort Wayne Chapter of Izaak Walton League of America, Inc.
- The Fort Wayne Chapter of the Izaak Walton League of America offers its members a wide range of opportunities for outdoor recreation. These include fishing, hiking, primitive camping, wildlife observation, archery, as well as skeet and trap shooting; additionally, rifle and pistol ranges are available for use. These facilities are open to all members of the local chapter; however, due to the insurance, maintenance, and upkeep costs associated with operating the rifle and pistol range, an [annual range fee](#) of \$50.00 per membership is charged to members wishing to utilize it. This fee is *not prorated* at any point during the year.
- If you are a [new member](#) and apply for membership [between July 1 and October 31](#), you benefit from a prorated membership fee, as your membership ends on December 31 of the same year.
- If you are a [new member](#), or if your [membership has lapsed for at least two years](#), and you apply for membership [on or after November 1st](#), your membership covers the period comprising November and December of the current year, as well as the subsequent twelve months of the following year.

## A Volunteer-Run Community

Our chapter employs no paid staff and relies entirely on members who volunteer their time and talents to the administration and maintenance of the grounds and buildings. In exceptional cases, external service providers are contracted to undertake tasks that lie beyond the capabilities of our members. As a member, you are asked to contribute at least 15 hours of volunteer work annually—particularly by participating in our work parties—as well as to offer your support at other times and in any way you can, in order to promote and strengthen our chapter.
