Before holding membership in the Fort Wayne Chapter it is necessary to first be a member of the national and Indiana state organizations of the Izaak Walton League of America. The term "dues" in this document and the amounts shown include all that is required to satisfy the above requirement.

The Fort Wayne Chapter of the Izaak Walton League of America offers its members a variety of activities to enjoy outdoor recreation. These include fishing, hiking, primitive camping, wildlife observation, archery, skeet and trap, rifle and pistol ranges. These facilities are available to all Chapter members, however, due to insurance, maintenance, and upkeep costs associated with the rifle & pistol range, an annual fee of \$50.00 per membership is required from those who choose to have access to these specific ranges. The range fee is not prorated at anytime during the year.

This form is intended for new member application only. Prorated dues rates shown below do not apply to renewing members.

If you are a new member, or if your membership has lapsed for at least two years, and you are applying for membership on or after November 1st, your membership will span the period including November and December of the current year, plus the subsequent twelve months of the following year.

A new member applying for membership between Jul 1 and Oct 31 will enjoy dues prorated at one-half the annual rate since their membership will expire on Dec 31st of that same year.

If you have any questions contact our Membership Director at crehinger@gmail.com or text to (260) 310-9701
